**Timecard Reminder**

In preparation for our move to UNI Works, it is crucial that all timecards are submitted at the end of each work week to ensure accurate accrual balances and pay. Timecards for June (6/1 - 6/30, for salaried and 6/16-6/29, for hourly) must be in approved status in eBusiness Suite, no later than 7/1 at noon to guarantee they will be moved to UNI Works.

All time entries & absence requests for dates beginning 6/30 for hourly, 7/1 for salaried should be completed in UNI Works. Refer to the communication sent May 16th titled ‘Time Tracking, Absences, and Accruals - UNI Works’ for more details.

If you have questions, please email payroll@uni.edu or call x2162, option 2.

**Payroll Documents**

Prior pay slips and W-2s will be available in eBusiness Suite Self-Service until 7/31. If you anticipate you will need a copy of these documents, you can save it to a personal USB or print the document and shred it when finished with the information. For data security reasons, we discourage downloading any Personally Identifiable Information (PII) to UNI systems.
Current withholding elections are also available in Self Service; however, we highly recommend that you use the tax withholding estimator provided on the respective federal and state websites to determine your withholding elections in UNI Works as the forms have changed recently.

If you have questions, please email payroll@uni.edu or call x2162, option 2.
