The Copier Purchasing Program
UI RFP# 17160
Say goodbye to the days of dealing with frustrating copiers and printers. With the Access Systems Copier Purchasing Program, you can leave the troubleshooting to our capable team. Our Copier Purchasing Program is designed to manage all of your printing devices - machines, service, parts and supplies. We're here to keep you covered.

Consolidation Approach
We work within your current print environment to find the most efficient and economical way to right-size your print needs.

Equipment Standardization
Your printing environment will be standardized to one or two copier brands, saving you money on toner and equipment.

Cost Accountability
Each month you will know how much you're spending on printing and supplies through our universal cost-per page and supply cost guarantee.

Program Flexibility
Our program allows flexibility in the number of pages you print and any additional equipment and accessories you may need.

The Access Systems Guarantees

Uptime Guarantee
Access guarantees that equipment will remain operational with a quarterly uptime average of 95% during normal business hours.

Ultimate Guarantee
If we are unable to service equipment according to the manufacturer specifications, we will replace the equipment with equal or greater technology at no charge to the customer.

Option 1 will be great for a department that is looking to switch from a B&W or color workgroup printer, like HP, Dell or Lexmark, utilizing the low cost-per-page on this new agreement.

Option 2 is best placed in environments with higher scanning and frequent printing. If your departmental volume is between 4,000–8,000 total pages per month, the second option is right for you. At 45 pages-per-minute, it’s a great replacement for your old copier/printer.

Options 3 & 4 are both low-cost, high-functioning copiers. If you have space for a larger device, you’ll be very happy with either of these choices from Toshiba. If you print 6,000-12,000 total pages per month, option 3 is your best fit. Option 4 is ideal for departments printing over 12,000 pages!

**Includes:**
- 50 Sheet Staple Finisher
- Single Line Fax
- 4 Paper Trays or Large Capacity Tray + Manual Bypass Feeder
- Duplex
- Embedded OCR Enabler
- Elevate License
